EDUCATION

National Institute of Technology, Agartala

2021-25

Bachelor of Technology in Electrical Engineering

CGPA: 7.9

Ibrahim Memorial H/S, Sasamusa, Gopalganj

2020-21

Senior Secondary (XII)

Percentage: 84.2

WORK EXPERIENCE

GET Summer Intern

May 2024 – July 2024

Reliance Industries Limited ([Certificate](#))

Jamnagar

- **System Optimization:** Spearheaded electrical systems planning and implementation, boosting performance and efficiency.
- **Troubleshooting:** Resolved 90% of issues through in-depth technical analysis and troubleshooting, showcasing strong problem-solving skills.

PROJECTS

Portfolio | *HTML, CSS, JavaScript, ReactJS*

- **Dynamic Layouts:** Implemented fluid layouts and responsive design techniques to ensure seamless performance on desktops, tablets, and smartphones.
- **Project Showcases:** Featured comprehensive project sections with detailed descriptions, live links, and source code repositories to demonstrate technical competencies and practical experience.
- [Live Link](#)

Cake Creations | *HTML, CSS, JavaScript, ReactJS*

- **Interactive and Engaging UI:** Crafted dynamic features like image sliders and live product updates to captivate users and enhance interaction, ensuring an immersive browsing experience.
- **Optimized Performance and Usability:** Designed a seamless interface with intuitive navigation, fast load times, and efficient ordering processes, delivering both high performance and user satisfaction.

TECHNICAL SKILLS

Languages: C/C++, SQL, JavaScript

CS Fundamentals: OOP, Data Structures, Algorithms, Operating Systems, Computer Networks, DBMS

Frameworks: CSS, HTML, ReactJS, NodeJS

Tools: Git, GitHub, VS Code, Postman API

LEADERSHIP

Vice President

December 2022- April 2023

Asimov NIT Agartala Robotics Club

NIT Agartala

- Oversaw and executed numerous club events, fostering inter-club collaborations, while spearheading and mentoring a team in robotics projects, demonstrating exceptional leadership.

Technical Head

April 2023-Present

Asimov NIT Agartala Robotics Club

NIT Agartala

- Mentored and collaborated with team members on robotics projects, while training juniors and providing hands-on experience with sensors, microcontrollers, and various robotics technologies.

ACHIEVEMENTS

- Successfully reached the final round in Anadigix Competition of **IIT Kharagpur**.
- Solved over **250+** DSA problems, showcasing strong problem-solving skills and programming expertise. [LeetCode](#)
- Participated in a prestigious robotics competition hosted by **IIT Bombay**, successfully clearing all tasks up to the pre-final stage.
- Achieved **3-star** rating on Codechef with a global ranking of **323** in the Starters Division 3. [Codechef](#)
- Awarded the Postman Badge for demonstrating exceptional API literacy, highlighting proficiency in creating, testing, and managing APIs.
